Executive Headteacher: Trevor Averre-Beeson

Dear Sky College Student

This is your Merit book to record all the merits, rewards and achievements you will receive this term. It is very important that you keep this in a safe place and have it available every day for your teachers and other staff to sign.

The Merit system at Sky College is a major part of our schools Behaviour for Learning. You will be awarded Merits at the end of each "Merit week". This is where your subject teachers will award Merit Points in each of your subject lessons for :

- √ Behaviour
- √ Attitude
- √ Effort
- √ Improvement
- √ Other

In addition, you may be awarded individual Merit Points for "one-off" activities. These may include good work or homework in a particular lesson, or reward for a particular contribution you have made. You may receive a Merit for participating in a club, production, sporting event or project, or for helping another student or showing visitors around the school. If you feel you deserve to be rewarded for a particular thing you have done, you may ask the appropriate member of staff politely.

Merit Points generate individual and collective rewards which will include certificates, a range of prizes, entry into a raffle and a reward trip.

So get collecting and show everyone what you can achieve!
